DRIVE & CHIP

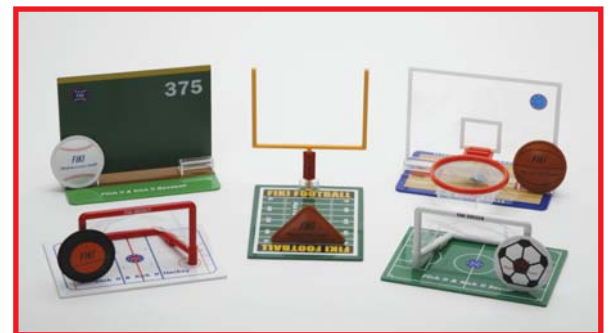

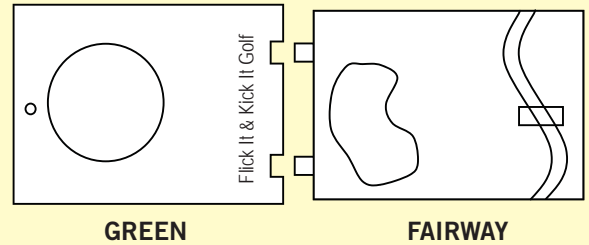

PUTT

THE RULES:

1. **Putting:** Putting is *only* permitted when the ball is on the green.
2. At *all* other times players must drive or chip from where their ball lies.
3. **Teeing Off:** The player tees off eleven inches from the end of the fairway and drives the ball.
4. **2nd Shot:** The player chips or putts depending on the lie. For the chip, the player stands the ball on its end at the point where it lies on the course.
5. **Subsequent Strokes:** The player continues to chip and/or putt until the ball is completely in the hole.

ASSEMBLY: See diagram below. Slide the openings on the green over the brackets on the fairway. Place the flag pin in the hole.
